am trying to click on a link using double click, but I got the following exception.

OpenQA.Selenium.ElementNotVisibleException: Unable to locate element:

```
{"method":"doubleClick","selector":"//a[@id="map_geolocation"]"} --> OpenQA.Selenium.ElementNotVisibleException:  
{"errorMessage":"element not visible"} Here is my code, driver.FindElement(By.Name("map_geolocation")).Click();  
Thread.Sleep(1000);
